

# RA-ASIA 2024

Songkhla, Thailand

## An International Conference of REGIONAL ANESTHESIA & PERIOPERATIVE PAIN MANAGEMENT

In conjunction with The 20<sup>th</sup> Annual PSU's Anesthesia Conference

เมืองสงขลา

12-13 December, 2024

PSU Cadaveric Surgical Training Center  
Laguna Grand Hotel & Spa Songkhla

Thursday 12 December 2024

**Ballroom A (English)** | **Ballroom B (Thai)**

Time	Topics	Speaker
07.30-08.00	Registration	
07.50-08.00	Open with Thai traditional dance Dancer from Tanksin University	
08.00-08.15	Open meeting by Dean of Faculty of Medicine Prince of Songkla University	Asst. Prof. Kittipong Riabroi, M.D. Dean of Faculty of Medicine, Prince of Songkla University
08.15-08.45	Decoding Comfort: the intriguing world of regional anesthesia & analgesia nomenclature	Assoc. Prof. Jui-An Lin; Taiwan
08.45-09.15	The art and science of anesthesia for clavicle fracture surgeries	Shahridan Fathil, MD.; Malaysia
09.15-09.45	Is the PENG block truly beneficial in clinical practice?	Assoc. Prof. Penafracia Cano; Philippine
09.45-10.30	Break	
10.30-11.00	Elevating precision: Embracing the power of ultrasound in neuraxial blocks; Yes, We can!	Asst. Prof. Jatuporn Pakpirom; Thailand
11.00-11.30	The erector spinae plane block in thoracoabdominal surgery	Chinh Quach Minh, MD.; Vietnam
11.30-12.00	How to avoid vascular occlusion after facial aesthetic injection?	Assoc. Prof. Petchara Sundarathiti; Thailand
12.00-13.30	Lunch symposium I (Eng broadcast to ballroom B)	
13.30-14.00	Breaking boundaries: Intertransverse process block take center stage with revelation of the "retro-SCTL" anatomy	Prof. Manoj Kumar Karmakar; Hong Kong
14.00-14.30	Empowering precision: unleashing the potential of block techniques in breast surgery-a paradigm shift?	Assoc. Prof. Suwimon Tangwiwat; Thailand
14.30-15.00	Harmony of anesthesia: Blending general and spinal techniques for laparoscopic surgery	Prof. Pryambodho; Indonesia
15.00-15.30	Parallel placement technique of subsartorial catheter for continuous proximal adductor canal block	Assoc. Prof. Takayuki Yoshida; Japan
15.30-16.00	Break	
16.00-16.30	Ultrasound application for the airway management	Prof. Pankaj Kundra; India
16.30-17.00	Update for regional anesthesia for total knee arthroplasty	Wong Wan Yi, MD.; Singapore
17.00-17.30	Choosing the optimal injection technique for brachial plexus block-evidence update	Prof. T. Sivashanmugam; India
18.30-21.00	Welcome speaker night party	

Time	Topics	Speaker
08.15-08.45	Role of pediatric regional anesthesia in the management of acute pain in the ambulatory setting	Sirikarn Siripruekpong, MD.
08.45-09.15	Strategies to mitigate Hemidiaphragmatic paralysis and enhance respiratory well-being	Phatthanaphol Engsusophon, MD.
09.15-09.45	Will thoracic epidural become obsolete in the future?	Chayapa Luckanachanthachote, MD.
09.45-11.00	Break	
11.00-11.30	Sponsor lecture I	
11.30-12.00	Unlocking excellence: effectiveness in regional anesthesia techniques for postoperative pain in thoracic surgery	Asst. Prof. Sudsayam Manuwong
12.00-13.30	Lunch symposium I	
13.30-14.00	Sponsor lecture II	
14.00-14.30	Unravelling the controversy in perioperative pain management	Asst. Prof. Jatuporn Pakpirom
14.30-15.30	Break	
15.30-16.00	Regional anesthesia & compartment syndrome: what we concern?	Assoc. Prof. Pawinee Pangthipampai
16.00-16.30	Regional anesthesia for spine surgery: what are the options?	Assoc. Prof. Aumjit Wittayapairoj

## An International Conference of REGIONAL ANESTHESIA & PERIOPERATIVE PAIN MANAGEMENT

In conjunction with  
**The 20<sup>th</sup> Annual PSU's Anesthesia Conference**

**12-13 December, 2024**

PSU Cadaveric Surgical Training Center  
Laguna Grand Hotel & Spa Songkhla

### 13 December 2024

Time/ Ballroom A	Topic (Thai)	Speaker	Time/ Ballroom B	Topic (Thai)	Speaker
08.00-08.30	Registration		08.00-08.30	Registration	
08.30-09.00	Plenary lecture prof Ammara panit: วิชาญญ์ในทางปฏิบัติกับการป้องกันการทำลายสิ่งแวดล้อม ประธานราชวิทยาลัยวิชาญญ์แพทย์แห่งประเทศไทย				Asst. Prof. Varinee Lekprasert, MD.
09.00-09.30	Crafting an effective regional anesthesia cart for remote area.	Pannawit Benjhawaleemas, MD. Rongrong Rueangchira-urai, CRNA	09.00-09.30	Unraveling the complexity: navigating challenges in acute pain management for neurological patients!	Asst. Prof. Thitikarn Kunapaisal, MD.
09.30-10.30	Break				
10.30-11.00	Dancing with fluid: Navigating the intricacies and pitfalls of intraoperative fluid management	Asst. Prof. Suttasinee Petsakul	10.30-11.00	How to deal with difficult perioperative pain management?	Assoc. Prof. Sasikaan Nimmaanrat
11.00-11.30	Sponsor lecture III		11.00-11.30	Sponsor lecture IV	
11.30-12.00	Mastering the symphony of cesarean delivery analgesia: options and evidence of optimal pain control after cesarean delivery	Assoc. Prof. Lisa Sangkum	11.30-12.00	Building regional anesthesia capacity in limited resources setting	Prae Plansangkate, MD.
12.00-13.30	Luncheon Symposium II				
13.30-14.00	Our journey in the Non-Operating Room Anesthesia (NORA) landscape-lessons learned from PSU encounter!!	Asst. Prof. Orarat Karnjanawanichkul	13.30-14.00	Sponsor lecture V	
14.00-14.30	Elevating precision: unleashing the power of Artificial Intelligence in regional anesthesia	Ratikorn Boonchai, MD.	14.00-14.30	Revolutionizing comfort: Innovative approach to perioperative pain management in laparoscopic surgery	Arpawan Thepsuwan, MD.
14.30-15.00	Preoperative assessment strategies for high-risk patients in non-cardiac surgery	Laortip Rattanapitayaporn, MD.	14.30-15.00	Exploring analgesic techniques for hip surgery.	Assoc. Prof. Prangmalee Leucharusmee
15.00-15.30	Break

## An International Conference of REGIONAL ANESTHESIA & PERIOPERATIVE PAIN MANAGEMENT

In conjunction with The 20<sup>th</sup> Annual PSU's Anesthesia Conference

เมืองสงขลา

12-13 December, 2024  
PSU Cadaveric Surgical Training Center  
Laguna Grand Hotel & Spa Songkhla

Friday 13 december 2024

**Workshop A** @Chalermprabharamee building 14<sup>th</sup> floor at Songklanagarind Hospital (07.30-13.05) **Live ultrasound scan in volunteer in workshop 1**

Time	Topics	Speaker	
7.30-8.00	Registration		
8.00-8.15	Orientation and brief the workshop		
Station A1	BPB above the clavicle: Interscalene superior trunk, supra-scapular nerve block, intertruncal supraclavicular BPB	T. Sivashanmugam; India	Aumjit wittayapiroj, MD.; Thailand
Station A2	Blocks for surgical anesthesia for clavicle surgery + Intercostobrachial nerve, clavicopectoral block	Shahridan Fathil, MD.; Malaysia	Prangmalee leurcharusmee, MD.; Thailand
Station A3	Abdominal wall block: anterior QLB, TAPB	Dr. Pankaj Kundra; India Dr. Suwimon Tangwiwat; Thailand	Arpawan thepsuwan, MD.; Thailand
Station A4	Thoracic wall block: Intertransverse process block and serratus anterior plane block	Penafrancia Cano, MD.; Philippine	Pawinee Pangthipampai, MD.; Thailand
Station A5	Paraspinal block; Erector spinae, paravertebral block, reletrosuperior costotransverse ligament block	Manoj Kumar Karmaker, MD; Hong Kong	Chayapa Lucknanchanthachote, MD; Thailand

**Workshop B** @PSU Cadaveric Surgical Training Center, 1<sup>st</sup> floor, Faculty of Science, Prince of Songkla University (13.05-17.20) **Ultrasound - guided in cadaver in workshop 2**

Time	Topics	Speaker	
Station B1	FICB, Adductor canal groups with perineural catheter for TKA, anterior sciatic nerve block	Takayuki Yoshida, MD.; Japan	Sirikarn Siripruekpong, MD.; Thailand
Station B2	Costoclavicular BPB vs lateral infraclavicular BPB + axillar BPB	Won Yi Wong, MD; Singapore	Phatthanaphol Engsusophon, MD; Thailand
Station B3	Popliteal and sciatic nerve block and catheter	Shinichi Sakura, MD.; Japan	Pannawit Benjhawaleemas, MD.; Thailand
Station B4	Thoracic wall block: Paravertebral & Erector Spinae Plane Block	Jui-An Lin, MD.; Taiwan Pryambodho, MD.; Indonesia	Chinh Quach Minh, MD.; Vietnam
Station B5	Neuraxial block: Real-time technique USG for Epidural block and Spinal block	Jatuporn Pakpirom, MD ; Thailand	Sudsayam Manuwong, MD; Thailand
